The ~~Prob~~ scheme is for? ^{16.12.29} It seems
to be a sound scheme, and has been
prepared in consultation with the
Dir. of Agre. But the following points
remain to be elaborated:

1 - The qualifications of the
Candidate - It is proposed to send
a graduate - it is not said a
graduate in what. I think an
Agricultural graduate wd be better
than an Arts or Science one, and
a graduate in Economics better
than one in Mathematics or
Science.

It cannot be very
right about this.
a graduate in Economics
would probably
be suitable.

Perhaps a pay of Rs. 100 during the
period of probation, with a

adequate, & even generous

REGISTRAR OF CO-OPERATIVE SOCIETIES IN MYSORE,

TO

N. Rama Rao, Esq., B.A., B.L.,
Secretary to Government of Mysore,
Development Departments, Bangalore.

Sir,

With reference to your letter No.D.4575/C.S.51-29-6 dated 8th November 1929 directing me to submit proposals, in consultation with the Director of Agriculture, for the deputation of a candidate to Western countries to study Agricultural Co-operation, I have the honour to state that I discussed the question with the Director of Agriculture in all its bearings on 4th December 1929 and the following is a summary of our conclusions, which I recommend for the favourable consideration of Government:-

1. It is very desirable to depute a Graduate, preferably of the Agricultural Community, to Western Countries for the study of Agricultural Co-operation.
2. The selected candidate may be taken as a Probationer in the Co-operative Department for a period of one year before being so deputed. During this period, he may be asked to study Agricultural Co-operation as at present practised in Mysore and also the working of Land Mortgage Banks.
3. During the period of deputation, he may be given a scholarship of £.250/- per annum and Second Class passage to and fro.
4. The total period of deputation should not be less than two years, of which one year should be devoted to the study of Agricultural Co-operation in Ireland, and the 2nd year, in other countries such as Denmark, Germany and Italy.
5. The courses of study ~~should~~ should include Agricultural Finance - short term as well as long term, Agricultural production and marketing of Agricultural produce.
6. On the completion of the deputation, the candidate should

should be entertained in the controlling Staff of the Department
of Co-operation.

I have the honour to be,
